

New Horizons in Lactation

Rethinking infant feeding: A whole body perspective for supporting lactation

Thursday, October 15, 2026

Presented by The Lactation Coalition of Snohomish County

About the Conference

Join fellow lactation consultants, nurses, and other perinatal professionals for a day of in-person learning, networking and continuing education. This conference is free to all attendees – made possible entirely through the generous support of our sponsors.

Why Sponsor?

Sponsorship directly funds continental breakfast, an afternoon snack, and speaker honoraria – ensuring every attendee has a welcoming, high-quality experience. In return, sponsors receive meaningful visibility before an engaged audience of perinatal professionals who influence purchasing and referral decisions in their communities.
